

QMF Physical Description

Physical access description of the Queenscliff Music Festival site and venues

Physical access grade rating: very inaccessible, poor, fair, good, easily accessible. Ratings will vary due to weather conditions.

Please contact us on: 03 5258 4816 or email us at hello@gmf.net.au to let us know about any access requirements you may have that we can assist with.

Accessible Toilets:

3 accessible toilets are located within the main Festival precinct. Please refer to Accessibility Map for locations.

Accessible Parking:

There is designated accessible parking on Gellibrand St. Head north on Gellibrand St off King St. Show your parking permit to the Traffic Management officer at the road block to access the parking area. There are also accessible car parks throughout the town, including the main street (Hesse St), that are close to QMF street venues.

Any visitors who require accessible parking should let QMF know in advance so we can provide appropriate assistance ph 5258 4816 or email hello@gmf.net.au.

First Aid:

First Aid is provided within the site located near the main event entry
